

Computer Science & Engineering Department
NATIONAL INSTITUTE OF TECHNOLOGY
SRINAGAR

Dated: 21-04-2017

NOTICE

The department is organizing STC course on “*Artificial Neural Network and Fuzzy Logic through ICT*” from 24.04.2017 to 28.04.2017 as a remote centre for NITTTR, Chandigarh. This is to inform you that the above course is for Faculty, Research Scholars & Technical Staff of Technical Colleges.

The contents of this course is

- To provide concept of Artificial Neural Network and its application in pattern recognition, classification and optimization.
- To provide knowledge of Fuzzy Logic and its applications
- Backpropagation algorithm
- ART network
- Hopfield network and Self Organizing Map
- MATLAB implementation of algorithms for various applications.

Date: 24.04.2017 to 28.04.2017

Venue: Seminar Hall, CSE Deptt.

Time: 9:00 AM to 6:00 PM

Registration for the course can be done on NIT website or below link:
