

National Institute of Technology Srinagar
(Department of Electronics & Communication Engineering)

Attention: M. Tech 1st & 2nd Year Electronics & Communication Engineering

All the students of M. Tech 1st & 2nd year Communication & Information Technology (CIT); and Microelectronics (ME) are informed that, they should submit the names of electives, out of the following list which a student wants to take, at the link: <https://goo.gl/forms/sWryhYWZ8JvnkYp23>

Each full time student has to do 12 to 18 credits, & part time student has to do 09 to 12 credits in a semester. Each student will submit elective subject names in the order of decreasing preference (4 for CIT, & 3 for ME). Core Subjects are also mentioned for the information. The last date for the submission is December 12, 2016.

List of core courses and electives

	CIT Subjects (Credits)	ME Subjects (Credits)
Core	Digital Communication (3) [Only for 1 st Year students]	Physical Electronics I (3) [Only for 1 st Year students]
	Project I (3) [Only for 2 nd Year students]	Project I (3) [Only for 2 nd Year students]
	Computer Networks (3)	Analog CMOS Design (3)
	Internet & Web Design (2) [CSE Dept]	Mixed Signal Design (3)
	Computer & Network Security (3)	
	#####	#####
Electives	Advanced Microprocessors (3)	Advanced Microprocessors (3)
	Software Engineering (3)	
	Physical Electronics I (3)	
	Analog CMOS Design (3)	
	Operations Research (3)	Operations Research (3)
	DSP Processors and Architecture (3)	DSP Processors and Architecture (3)
