

National Institute of Technology Srinagar
(Department of Electronics & Communication Engineering)

Attention: M. Tech 2nd Year Electronics & Communication Engineering

All the students of M. Tech 2nd year Communication & Information Technology (CIT); and Microelectronics (ME) are informed that, they have to submit the report (Soft Copy) of the work, which they have carried out in Project I. No part of the work/ report should be a repetition of the Seminar which has been delivered or reported in I year Spring Semester.

The format of the report should be strictly as follows:

File Type: pdf

Total No of Pages: 20 ± 2

Font Size: 12

Line Spacing: 1.5

Font Type: Times New Roman

Page Size: A4

Margins:

Left: 1.25"

Right: 1"

Top: 1.25"

Bottom: 1"

Page numbering at the bottom right, excluding the first page.

First page should have the following information:

Name of the Topic

Name of the Student

En No of the Student

Specialization (CIT or ME)

Name of the Supervisor

Report should be without any paragraph headings, and should be in continuity from the beginning to end. Report may have figures and tables. All the figures and tables should be referred in the text. Not more than 30% of the report should be in the form of figures or tables. The source of Figures and Tables should be properly referenced. The report should be completely in Black & White, including figures and tables. The **color pictures** are allowed only in the field of **Image Processing**, if inevitable. The report should also have the references at the end, and these references should be referred in the report. IEEE style should be followed for references.

This report will be the basis for the mid-semester evaluation of the Project – I, and will have 25% of the total marks.

Last Date for submission is: December 31, 2016.

Report should be emailed as an attachment to: headece@nitsri.net

With a subject line: M. Tech. Report <Name of the Student>

(Najeeb-ud-din)

Prof. & Head

Dated: December 04, 2016

Copy:

All Faculty Supervisors for information.
